**IN THE DISTRICT COURT**  
**OF RANDOLPH COUNTY**

**Before me, Amy Newsome, Judge of the District Court, the undersigned authority, personally appeared Agent Kevin Walker, who being by me first duly sworn, deposes and says the following:**

My name is Kevin Walker and I am employed with the Wedowee Police Department and I am currently assigned to Randolph County Narcotics Unit as an Agent. I have been employed as a law enforcement officer for approximately 20 years and have approximately 10 years experience in the investigation of illegal drug activity. I have attended training relating to illegal narcotics on at multiple occasions. I have also been involved in the investigation of illegal narcotics on thousands of cases. Based upon my training and experience, I know that illegal narcotics can be hid in numerous locations including hidden compartments in vehicles and homes.

Based upon my training and experience as a narcotics investigator, I know the following:

- a. Persons who engage in the sale or distribution of controlled substances, will often keep records of their drug activities. This information can be located on electronic devices such as computers, computer disks, compact disks, alphanumeric pagers, cellular telephones, personal digital assistants (PDA's), answering machines or caller ID devices.
- b. Persons who engage in the sale or distribution of controlled substances, will often keep documentary evidence of their drug activities including items such as: records, notes, drug ledgers, seller lists, buyer lists, address books, storage unit receipts, and pictures or videos.
- c. Persons who engage in the sale or distribution of controlled substances, will retain evidence of their wealth or an investment of drug profits including items such as real estate documents, bank records, titles to assets, loan documents, mortgage records, personal financial statements, income tax returns, travel records, stock records, insurance records, and financial instruments such as certificates of deposit, IRA's, bonds and passbooks.
- d. Persons who engage in the sale or distribution of controlled substances, will often keep paraphernalia for packaging, diluting, weighing and distributing their drugs including such items as: scales, plastic bags, and diluting agents.

- e. Persons who engage in the sale or distribution of controlled substances, will often attempt to legitimize their profits from the sales of drugs by utilizing banks and their attendant services, cashier checks, money drafts, money orders, wire transfers, real estate purchases and business purchases, real and fictitious.

On this Wednesday, the 31<sup>th</sup> day of January, 2018, The Randolph County Narcotics Unit was contacted by Deputy Nathaniel Morrow. Deputy Morrow advised he had gone to [REDACTED], Woodland, AL 36280 to serve a Greg Almond with a civil paper. When he arrived at the residence he exited his vehicle and proceeded to the carport door on the residence. He knocked on door and a female answered. Deputy Morrow asked if Greg Almond was at home and she stated no he would be back soon. As Morrow was talking to female he could smell a loud odor of Marijuana coming from the residence. Deputy Morrow has been trained in various types of drugs. After Morrow contacted the Narcotics unit we met with him to make sure of his statement.

Due to the facts set forth herein and the totality of the circumstances, I believe that it is reasonable to believe that illegal narcotics, including but not limited to marijuana, is currently being stored in the residence known as the residence of Gregory Jack Almond, Alias, located at [REDACTED], Woodland, Randolph County, AL, 36280. I further believe that probable cause exists for the issuance of a search warrant for the residence located at [REDACTED], Woodland, Randolph County, AL, as further described and affixed in the accompanying search warrant. The search warrant is to include the residence described, the curtilage, any and all out buildings, any vehicles on the curtilage and all packs, cases where illegal narcotics could be located.

**Affiant shows that based on the above and foregoing facts and information, Affiant has probable cause to believe that the above described property is concealed upon the aforesaid premises, person, and vehicle and is subject to seizure and makes this affidavit so that a warrant may be issued to search said premises, persons, and vehicles.**
